Student Information Book

It's all in there!

Course Goals/Objectives

- Enhance the appreciation of the variability and distribution of diseases throughout the World
  - DOD Tropical Disease Primer
  - Will NOT be able to cover all deployment or operational medical issues!
- Increase existing capabilities to provide medical care and planning/advice to commanders of deployed troops
- Identify useful medical information sources and consultants (pre-, during, and post-deployment)

Registration… should be done!

- Be sure you've:
  - Verified/signed the registrar's form (must be done this morning!) and handed in copy of orders and airline $$
  - Received a course notebook with handouts
  - Received your computer Logon (do this TODAY!)
  - Been issued the text: Control of Communicable Diseases in Man, 17th ed (note: this is a loaner and must be returned prior to graduating)

Course Completion Requirements

- Must attend all lectures
- Participate and demonstrate requisite basic skills during all (5) lab sessions
- Actively participate in team's deployment project and be prepared to do the final deployment brief (semi-random selection)
- Pass the final exam **(≥70%)**

CME

The Office of the Surgeon General, United States Air Force, designates this educational activity for a maximum of 60 hours in category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

This activity has been jointly planned and implemented in accordance with the Essential Areas and ancillary policies of the Accreditation Council for Continuing Medical Education (ACCME) by the Office of the Surgeon General, United States Air Force and the United States Air Force School of Aerospace Medicine. The Office of the Surgeon General, United States Air Force is accredited by the ACCME to provide continuing medical education for physicians and takes responsibility for the content, quality and scientific integrity of this program.

Requirements to obtain CME certificate

- **MUST be formally registered**
- **MUST leave us a current mailing address***
- **MUST complete all course requirements**
- **MUST complete written critiques of individual lectures and labs (on-going) and the course in general (end)**
  - **NO NAME on lecture-specific worksheets (honest, constructive)**
  - **Need name on bubble sheets; No. 2 pencil only**
  - **All must be turned in on last day prior to graduation**

***Final CME requirements are submitted after the course**
- **We anticipate all 60 hrs will be approved for CME Cat 1**
- **We will mail your official, signed CME certificate to you**

Course Structure… see your agenda

- **Wed, 11 Feb**
  - **Maj (Dr) Lee Harvis "Operational Fatigue Issues… helicopter rescue squadron experience in OEF"**

**Sign up the day before and may pre-order Subway sandwich, chips, apple, bottled water (approx $5.00)

Physical Training Time

- Two weeks of sitting in a classroom is unhealthy!
- Good nutrition, exercise, and adequate sleep are necessary to maximize learning
- I've built in extended lunch breaks on Tues/Thurs (1105-1245)… slow times. You get 1 hr+50 min to exercise, eat, and be back in your seat!
  - Individual or group, up to you
  - Fitness Center doesn't have adequate lockers for all… will use reserve R-ball court to leave items (attended)
  - Profile required for anyone not able to exercise

Classroom Etiquette

- Be here and be punctual..
  - Start on time, esp. mornings and after after lunch break
  - 50 min lecture + 10 min break
  - Quiet in the hallways
- "Golden Rule" stuff during class
  - Whisper if you have to talk
  - Cell phones, beepers "Off" or Mute
- No sleeping (and esp. no snoring!) during class
- No food/drinks in auditorium (except bottled H_2O)

Uniforms and Courtesies

- BDU's, Flight Suits, or Service Dress (presentable)
  - Includes last day for graduation unless o/w announced
- You are role models for USAFSAM's <u>trainees</u>
  - Show all military courtesies
  - Look sharp and act professional!

SRO/Flight leaders

- SRO for class – Col Rick Allnutt, USAF
- Five flights… leaders:
  - A Col Andrew Tice, USAF
  - B CAPT Brian Svazas, USNR
  - C Col William Pollan, USAF
  - D Col Frederick Marks, USAF
  - E CAPT Arlene Olaisen

**This is a military course… please use the proper Chain of Command whenever possible*
